

APPLIQUÉ SELECTION

Appliqué Selection

The intended use for the appliqué is on the Krueger Prism™ ceiling diffuser. The appliqués consist of a matte substrate with an adhesive backing and are individually die cut for precision and consistency. It is fitted to a pre-formed square embossment in the center of the faceplate with the purpose of providing color, which is applied after the diffuser is painted.

Additionally, you may order stand-alone replacement appliqués, standard or custom, to modify existing Prism™ applications, should the interior décor change.

The following are nine standard colors offered from Krueger.

From left to right, top to bottom:

- 000 - #44, British White
- 001 - #49, Off White
- 002 - Light Grey
- 003 - Medium Grey
- 004 - Light Beige
- 005 - Medium Beige
- 006 - Blue/Grey
- 007 - Olive
- 008 - Rust
- 999 - Custom color or logo match (Samples shown on next page.)

Krueger's standard colors are based on the Pantone® Professional Color System.

Appliqué Selection

Providing maximum flexibility to match your interior décor, you are able to choose any color from any standard color scheme or have your logo/decalscreened on to the appliqué.

See how a splash of color can dramatically effect the look of your interior decor with these non-standard color samples.

For custom applications:

- Supply Krueger with qty (2) - 2" x 2" paint or color samples
- Supply Krueger with custom logo (3.96" x 3.96" viewing size) in high resolution, digital format

Note: Krueger is able to match any color to +/- .5ΔE, where a difference of 1.0 is the limit to which the average person is able to discern two colors as different.

Appliqué Specs:

- 0.017" Polycarbonate substrate with opacity film
- 0.002" Adhesive with peel off backing
- 0.019" Total thickness
