

When it has to
BE VERSATILE,
it has to be Krueger.

Krueger's Stamped Core Diffuser is
the *flexible* choice for your modular office.

For air distribution systems as adaptable as your furnishings, choose Krueger. Our series 6100/6150 diffuser will never become a casualty of reorganization, because the unique stamped core adjusts easily for any airflow pattern to provide maximum efficiency, whatever your office configuration.

- 1** Unique self-centering stamped core
 - ensures blades stay in optimal performance position
 - rotates 45 degrees for easy adjustment from standard to corner blow
 - individual blades can be easily adjusted if desired
- 2** "Circle-in square" design enhances decor, blends with most ceiling tiles
- 3** Matching returns
- 4** Choice of square or round neck
- 5** Removable perforated face and core for easy-cleaning
- 6** Stamped curved blades deliver aesthetics and performance compared to other perforated products

Krueger continues to lead the industry in the development of innovative products and air distribution solutions. To learn more about what we can do for you, visit us on the web at www.krueger-hvac.com.
