

90BD

Stainless Steel Accessory, Opposed Blade Damper

INTRODUCTION

The 90BD stainless steel OBD is available for Krueger's stainless steel series grilles. Standard construction is 304 stainless steel, but 316 stainless steel construction is available. The 90BD should be ordered with the grille since the damper needs to be welded to the grille.

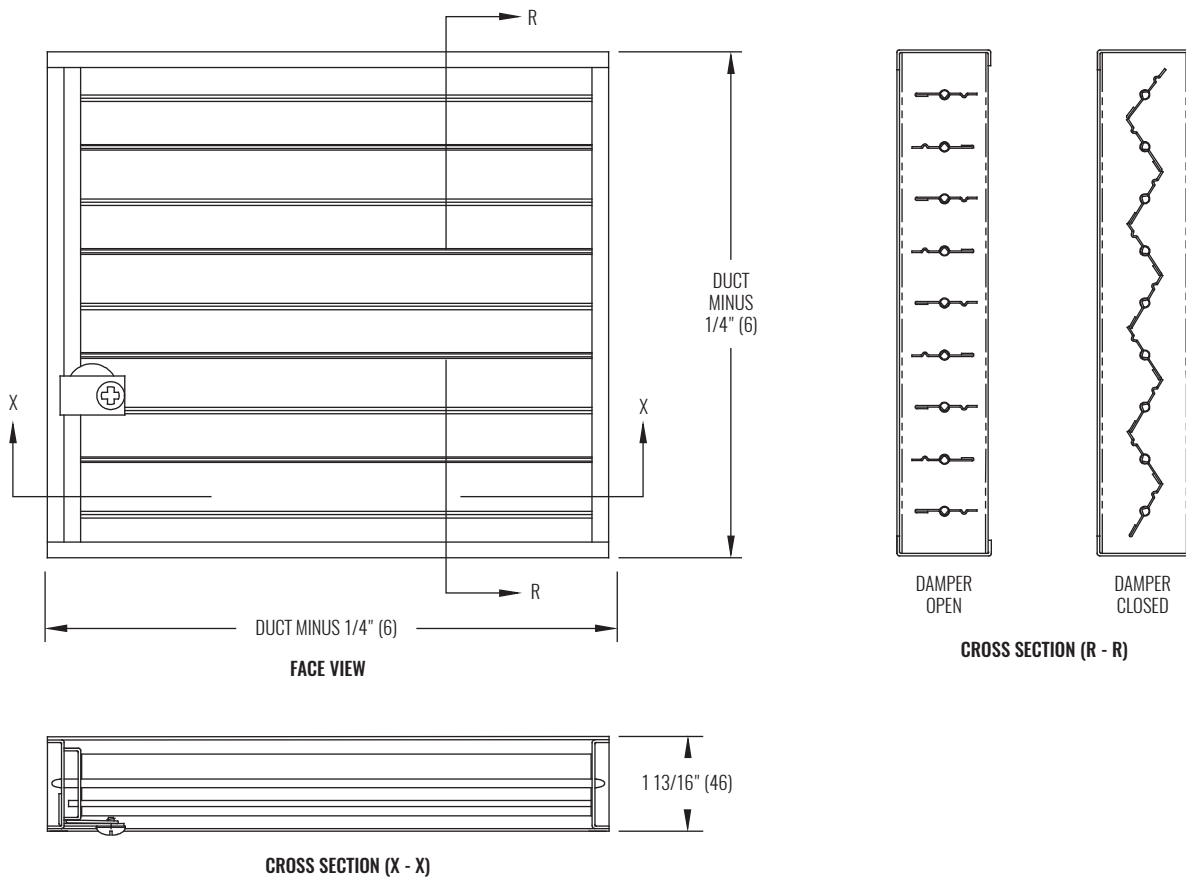

MODEL

90BD - Opposed Blade Damper

FEATURES

- Standard finish is 90 - #4 Satin Polish
